Your dream wedding
tailored with care by Mitsis Group

A wide-angle photograph of a beach scene. In the foreground, a white plastic table and four white plastic chairs are set up on the sand. To the left of the table, there are two stacks of white plastic chairs. A small white sign is visible on the sand near the bottom left. The beach is bordered by a rocky shoreline with some seaweed. The ocean is a vibrant turquoise color, transitioning to a deeper blue further out. In the distance, there are small islands or reefs. On the right side, a steep, rocky cliff rises from the water's edge. The sky is a pale, hazy blue.

Industry leaders in destination wedding planning

OUR GROUP

An aerial photograph of a person floating on their back in clear, turquoise water. The person is wearing a dark green one-piece swimsuit and has their arms and legs spread out. Concentric ripples emanate from the person, creating a circular pattern across the entire frame. The water's surface is highly textured with light and shadow from the ripples.

A romantic wedding ceremony is taking place on a sandy beach at sunset. A couple is standing in the foreground, holding hands. In the middle ground, a small, white, canopy-covered altar is set up on the sand, decorated with white flowers and greenery. Several lanterns are placed on the sand around the altar. The background features a calm sea and a clear sky, with a small island visible on the horizon.

Looking out for new wedding destinations in Greece?

The place
